

SCHOOL TRIPS

LESSON PLAN

BACKGROUND KNOWLEDGE

Brainstorming: Students were asked which cities or regions in Italy would they like to visit as a school trip .

Various types of school tour itineraries (both from text book and authentic – the web) were presented in class, and made available on the elearning platform of the school (Art & Archaeology in Sicily).

INDIVIDUAL ITINERARY

Students were asked to research and prepare a school tour itinerary, including prices .

CLASS PRESENTATION (Conversation class)

Each student was asked to present his/her work, convincing teachers and fellow students to go on a school trip there.
